# Welcome to our school!

The mission of Divine Mercy Catholic Academy is to:

- engender a strong sense of the Roman Catholic identity, a deep reverence for the sacraments, and a lifelong commitment to reflect the teachings of Christ throughout their lives;
- enrich each child's development by requiring academic excellence and providing opportunities that challenge students and recognize individual achievement;
- develop with parents, moral values which guide students to love all of God's creation and to be witness to the world with Christ as their model.

The last two years has challenged the school systems. At DMCA, we continue to keep your child's best interest in mind!
